

The Bricks

Hancock County Memorial Hospital Foundation Garden

The HCMH Foundation has created a garden on the west side of the hospital, near The Summit House. The garden features a donor walkway containing personalized engraved bricks.

A circular area was paved and landscaped with trees, perennials and other beautiful plantings in the fall of 2003 in preparation for the installation of engraved bricks in the spring of 2004. Additional orders are processed annually for new bricks to be added to the walkway.

Proceeds from the engraved bricks will help us continue to improve health care services provided to you and your loved ones, and are greatly appreciated. The HCMH Foundation has created the Garden Walkway as an ongoing opportunity for individuals and organizations to participate in this project.

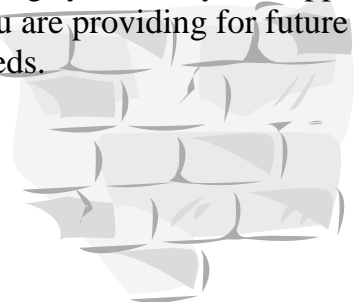

Thank you for support of the HCMH Foundation with your donation to the Foundation's Garden Walkway.

Personalized bricks create a distinctive, elegant impression and are a unique way to receive lasting recognition for your generosity and support of the HCMH Foundation.

Bricks may be inscribed with names, birthdays, messages in memory of a loved one, in commemoration of events or dates, or a special message. You may purchase a brick for yourself, your family, or your business. An engraved brick is also an excellent gift!

The bricks are 4" by 6" in size and can accommodate three lines of text with 10 characters in each line. Inscriptions are engraved into the brick and protected with a clear finish. The engraver will center lines horizontally and vertically, and each brick will be engraved in the same typeface.

Make a lasting impression with your engraved brick in the Foundation's garden walkway. An engraved brick is an everlasting symbol of your support and the path you are providing for future health care needs.

Brick Options

For a gift of \$100 you receive:

One 4" by 6" brick, including up to three lines of lettering, at a maximum of ten characters per line (including spaces and punctuation marks).

You will receive a confirmation of the installation of your brick and an invitation to the next dedication ceremony.

Commemorative benches, stepping stones, and trees with engraved plaques are also available with a larger donation.
